IMPORTANT

Pro and Spinner Category players will now be allowed to only pick a total of **2 Mains and 2 Fringe Divisions** throughout a Season's Regionals (EST 09 + WCC 10). For example, if a competitor decides to take up 1 Main and 1 Fringe in the first round of Regionals (EST), he/she may only take up 1 Main and 1 Fringe in the second round of Regionals (WCC). This way, each competitor may will only need to focus on 2x Mains and 2x Fringe Divisions throughout the season, cutting the workload by half, giving competitors more time to focus on their specialized categories.

The Singapore Yo-Yo Championships will be kept according to the traditional structure similar to past Nationals. Scores for SYYC will then be added to the Regionals in order to determine Season Rankings at the end of a full work year (EST + WCC + SYYC).
